- Invitation to season launch and opportunity to present sponsored player or official with their uniform
- Marketing opportunities

About the ACT Griffins

ACT Men's and Mixed Netball was established in 2016 and has grown into a professional organisation that organises programs for men and boys to play netball as well as being the home of the ACT Men's and Mixed Netball Griffins who compete at the Australian Men's and Mixed Netball Championships each year. We are also excited to be hosting a youth program where boys can learn basic skills and play matches close to home.

The ACT Griffins have been competing at the National Championships since 2017 and will be taking a Men's, Mixed and youth team away again for the week long tournament. The Championship is one of the largest netball sporting events held in Australia, demonstrating the most exceptional standards of play that men's and mixed netball have to offer.

Sending the ACT Griffins teams to the national championships involves significant cost to players, coaches, officials, and support staff and your sponsorship can help to reduce those costs.

ACT Men's and Mixed Netball has the ability to cater for all types of sponsorship with personalised packages also available. If a sponsorship package isn't for you, we are also seeking donations of prizes to our annual Trivia Night.

For all enquiries please contact us at actmensnetball.sponsor@outlook.com and someone will be in touch to discuss this opportunity further. If you wish to proceed as a sponsor please fill in the below information so a member of the Committee can contact you.
