

2025/26 ACT GRIFFINS NETBALL PROGRAM

REPRESENTATIVE TEAMS - COACHING DUTY STATEMENTS

GRIFFINS TEAM COACH

Attributes

Team coaches need to possess a high level of energy and commitment to support our Griffins program. Coaches will possess strong coaching experience in a High-Performance Netball program such as a state representative program, State League or premier league program. Team coaches must demonstrate high level organisational skills, be strong communicators with athletes, peer coaches and other squad staff, and possess the adaptability to manage any game or training situation.

Duties

- Support their assigned team and players to participate at the highest level in the 2026 National Championships Tournament.
- Organise training sessions consistent with other squad arrangements as are necessary for the development of players and to support tournament preparation.
- Consult and liaise with the Vice President Game Development as required to deliver each team program and on squad matters.
- Participate, if required, in Squad Selection Panels to determine teams selected for the annual National Championships.
- Coach the assigned team in the National Championships and support with strong tournament planning and delivery.
- Submit a program review report related to their team at the end of the tournament and identify any opportunities or barriers they encountered this season.

Key selection criteria

- Demonstrated experience coaching netball teams, with a proven ability to develop individual player skills and overall team performance.
- Relevant coaching accreditation (e.g. Netball Australia Foundation, Development, Intermediate, or Advanced Coaching Accreditation).
- Excellent communication skills and ability to build strong relationships with players, other coaches and committee
- Commitment to player development and wellbeing, promoting sportsmanship, teamwork, and inclusivity.
- Ability to build a positive, respectful, and performance-driven team culture.
- Extensive rules knowledge through a current Netball Australia Umpiring Theory Examination Pass (or be willing to undertake the online training in the year of appointment).
- An ability to meet the duties, attendance and reporting requirements for all sanctioned team and squad activities and be available for all aspects of tournament preparation and participation in the year of appointment.
- Ability to abide by the Code of Conduct of the ACT Men's and Mixed Netball Association and the Australian Men's and Mixed Netball Association as required.
- Current ACT Drivers Licence and Working with Vulnerable Persons registration, and ability to provide a copy to the Association Secretary for our record.

GRIFFINS ASSISTANT COACH

Attributes

Assistant Coaches will be willing to learn the requirements to participate in and support a high-performance netball program. The Assistant Coach will work with their assigned team, under the direction of the Team Coach, to support their teams preparations for the National Championships.

An Assistant Coach should be looking to further their netball coaching skills and available to support all aspects of the program preparation and National Championships participation.

Duties

- Under the direction of the Team Coach, they will assist and support training sessions as necessary for the development of players.
- Support and assist the Coach on the program for player development and team preparation.
- Participate in match play and tournaments including travelling with the team to participate in the annual National Championships.

Key selection criteria

- Excellent communication skills and ability to build strong relationships with Team Coach and willingness to attend all training sessions and games as scheduled.
- Some netball coaching experience, including district association junior championships or association level coaching.
- Netball Australia Development level accreditation or prepared to work towards this level or higher accreditation with the support of the ACTMMNA and through the Netball ACT Coaching pathways.
- Extensive rules knowledge through a current Netball Australia Umpiring Theory Examination Pass (or be willing to undertake the online training in the year of appointment).
- An ability to meet the duties, attendance and reporting requirements for all sanctioned team and squad activities and be available for all aspects of tournament preparation and participation in the year of appointment.
- Ability to abide by the Code of Conduct of the ACT Men's and Mixed Netball Association and the Australian Men's and Mixed Netball Association as required.
- Current ACT Drivers Licence and Working with Vulnerable Persons registration, and ability to provide a copy to the Association Secretary for our record.

GRIFFINS APPRENTICE COACH

Attributes

Team Apprentice Coaches will be keen participants and willing to learn the requirements to participate in and support a high-performance netball program. The Apprentice Coach will work with their assigned team, under the direction of the Team Coach, to support team preparations for the National Championships.

Apprentice Coaches should be looking to further their netball coaching skills and be available to support all aspects of the program preparation and National Championships participation.

Team Apprentice Coaches support the Team Coach and Team with their preparations leading up to Nationals but will not travel with the team. The role is a development opportunity to provide support to continue in the ACT Griffins program.

Duties

- Under direction of the Team Coach, assist and support training sessions as are necessary for the development of players.
- Support and assist the Coach on the program for player development and team preparation.

Key selection criteria

- Excellent communication skills and ability to build strong relationships with Team Coach.
- Willingness to attend all training sessions and games as scheduled.
- Some netball coaching experience, including district association junior championships or association level coaching.
- Netball Australia Development level accreditation or prepared to work towards this level or higher accreditation with the support of the ACTMMNA and through the Netball ACT Coaching pathways.
- Extensive rules knowledge through a current Netball Australia Umpiring Theory Examination Pass (or be willing to undertake the online training in the year of appointment).
- An ability to meet the duties, attendance and reporting requirements for all sanctioned team and squad activities and be available for all aspects of tournament preparation.
- Ability to abide by the Code of Conduct of the ACT Men's and Mixed Netball Association and the Australian Men's and Mixed Netball Association as required.
- Current ACT Drivers Licence and Working with Vulnerable Persons registration, and ability to provide a copy to the Association Secretary for our record.
